Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

A container is defined as 42 pounds of the insured crop.

Price

Replant Payment: The maximum amount of the replanting payment per acre will be $125.00.

Cooling costs will not exceed $1.00 per container if paid by the insured.

Allowable Cost: The allowable cost for harvested production will include the actual cost of picking, grading, packing containers, hauling, and selling, not to exceed $3.45 per 42 pound crate.

*6 The minimum value to be used for harvested and appraised production will be $3.85 per 42-pound crate.

*7 The minimum value to be used for harvested and appraised production will be $6.20 per 42-pound crate.

*8 Minimum Value Option: If you elect the Minimum Value Option, the Minimum Value Option amount is $2.60.

*9 Minimum Value Option: If you elect the Minimum Value Option, the Minimum Value Option amount is $4.20.

Insurance Availability

Any acreage in this county without a rate or designated as uninsurable or unclassified on the actuarial map will be insurable only by written agreement, unless such acreage is otherwise classified in the actuarial documents. Contact your crop insurance agent by the sales closing date to determine eligibility requirements.
