Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Assumed weight of swine at marketing will be 260 lbs.

Type

*3 Farrow to Finish (804): Expected cost of feed and actual cost of feed equations will use 12 bushels of corn and 138.5 pounds divided by 2000 pounds of soybean meal.

*4 Finishing (805): Expected cost of feed and actual cost of feed equations will use 9 bushels of corn and 82 pounds divided by 2000 pounds of soybean meal.

*5 SEW Pig Finishing (806): Expected cost of feed and actual cost of feed equations will use 9.05 bushels of corn and 91 pounds divided by 2000 pounds of soybean meal.

Premium

The application for Livestock Gross Margin coverage will not be accepted if the premium is not paid at the time of application.

Insurance Availability

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, parental status, familial status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program.

Livestock Gross Margin coverage has limited underwriting capacity, which will be distributed through the Federal Crop Insurance Corporations (FCIC) underwriting capacity manager. The underwriting capacity will be distributed on a first come, first served basis. Livestock Gross Margin coverage will not be offered for sale after the capacity is depleted or at any time the underwriting capacity manager is not functional.

If expected gross margins are not posted on the RMA website, LGM coverage will not be available for that insurance period.

From time of posting on the RMA Website on the last business Friday of the month till 8:00pm the following evening.
