Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Type

*2 Calf Finishing (807): Expected cost of live cattle, feeder cattle, and feed; and actual cost of live cattle, feeder cattle and feed equations will use 11.50 CWT for live cattle, 5.50 CWT for feeder cattle and 52 bushels of corn.

*3 Yearling Finishing (808): Expected cost of live cattle, feeder cattle, and feed; and actual cost of live cattle, feeder cattle and feed equations will use 12.50 CWT for live cattle, 7.50 CWT for feeder cattle and 50 bushels of corn.

Premium

The application for Livestock Gross Margin coverage will not be accepted if the premium is not paid at the time of application.

Insurance Availability

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, parental status, familial status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program.

Livestock Gross Margin coverage has limited underwriting capacity, which will be distributed through the Federal Crop Insurance Corporations (FCIC) underwriting capacity manager. The underwriting capacity will be distributed on a first come, first served basis. Livestock Gross Margin coverage will not be offered for sale after the capacity is depleted or at any time the underwriting capacity manager is not functional.

If expected gross margins are not posted on the RMA website, LGM coverage will not be available for that insurance period.

From time of posting on the RMA Website on the last business Friday of the month till 8:00pm the following evening.
