The map displays a grid system with letters and numbers. The letters R8E, R9E, T6S, T7S, and T8S are positioned along the bottom and right edges. The numbers 1 through 36 are distributed across the grid. Key locations marked on the map include 'FAS', 'Crows Landing Naval Air Station', 'Mendoza Canal', and 'Newman'. A large 'N' with an arrow indicates North. A thick black line outlines a specific area on the map, likely the subject of the report.
