The map displays a grid of 36 numbered parcels, each outlined in black. The parcels are arranged in a roughly rectangular pattern, with some irregular shapes. The map includes several major roads and water features. Highway 100 runs vertically on the left side, and Highway 200 runs horizontally at the bottom. Valley Ditch, Clear Creek, Pinky Pond Ditch, and Old Channel Mud Creek are shown as blue lines. A green area labeled '18' is highlighted on the left side of the map. The map also shows a grid of red lines, likely representing property boundaries or survey lines. The text 'BURLINGTON NORTH CAROLINA' is visible in the top right corner.
