NOTES					
Unless otherwise specified, all entities are allowed with any other entity as an SBI, except for SBI's with Entity Type of S which are allowed only with a primary Entity Type of S, X, R. The Primary Producer "P10" record with an Entity Type Code of S, X, P, J, or R requires an SBI "P10B record to be reported. Exception is when the insured operates as both an I or S, and as an R, then both operations must be reported under the I or S policy; meaning the R is no longer a separate policy but an SBI to the I or S policy. SBI "P10B" records must be reported with the first submission of the Primary Producer "P10" records.					
If Business Name only is required, there should be no entries in the First Name/Last Name fields.					
Entity Types may change within a category without incurring LRR as long as the ID Number does not change. Such as: I, S, and X; or C and Y; or T and R; or H and A.					
FLB - First Name and Last Name or Business Name required BUS - Business Name required					
BIA Number - First 5 digits are FIPS State and County code.
