* More than one fee may be charged if the commodity can be insured under more than one plan in the county.

The SCO, ECO, STAX, and Margin Protection plans are charged a separate administrative fee.

** High Risk Land may be insured under CAT or HRELO, and the remainder of the commodity may be insured under buy-up, therefore, more than one fee would apply in these situations. HRLEO commodities include wheat, corn, cotton, grain sorghum and soybeans.

*** Cotton with the cottonseed endorsement shall be charged 2 admin fees. When HRLEO also applies then a separate set of Administrative Fees will apply.

**** PRF with 2 different plans will have two administrative fees.

***** HIP-WI Endorsement will have one Admin Fee per Crop/County Policy (e.g., HRLEO or otherwise required per the Basic Crop Provisions of the specific crop that creates another Crop Policy within the county).

For HIP-WI endorsements that cover cotton with the cottonseed endorsement will only have one admin fee.
