Record Level Rules									
		1							An Insurance Agent "P55" record, must be accepted in the same batch before a Insurance Agent Agency "P55A" record, will be accepted.
		2							Insurance Agent Agency Address and Phone Number are critical data information for referring potential Clients. For this reason, the Address field validation will reject post office box addresses and the Phone Number field must contain a valid phone number.
		3							The P55A record will not be accepted when the parent P55 record is not present in the batch.
		4							The parent P55 record must be free of errors for the P55A record to be accepted.
