### **Type**

- \*3 Farrow to Finish (804): Expected cost of feed and actual cost of feed equations will use 12 bushels of corn and 138.5 pounds divided by 2000 pounds of soybean meal.
- \*4 Finishing (805): Expected cost of feed and actual cost of feed equations will use 9 bushels of corn and 82 pounds divided by 2000 pounds of soybean meal.
- \*5 SEW Pig Finishing (806): Expected cost of feed and actual cost of feed equations will use 9.05 bushels of corn and 91 pounds divided by 2000 pounds of soybean meal.

### **Date**

- \*6 If you purchased LGM-Swine on or after October 28, 2011, the premium billing date is the first business day of the month following the last month of the insurance period in which you have target marketings. If you purchase LGM-Swine prior to October 28, 2011, premium is due when you sign the application.

### **Insurance Availability**

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, parental status, familial status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program.

Livestock Gross Margin coverage has limited underwriting capacity, which will be distributed through the Federal Crop Insurance Corporations (FCIC) underwriting capacity manager. The underwriting capacity will be distributed on a first come, first served basis. Livestock Gross Margin coverage will not be offered for sale after the capacity is depleted or at any time the underwriting capacity manager is not functional.

If expected gross margins are not posted on the RMA website, LGM coverage will not be available for that insurance period.
