General

The weight of bins or boxes is established by the first handler (packing house or processor) and should be specified on the records or settlement sheet.

In lieu of Section 24(a) of the Basic Provisions, interest will begin to attach on unpaid premium on the first of the month following the first billing date provided that a minimum of 30 days have passed from the first billing date.

SET OUT YEAR AND LEAF YEAR

The SET OUT YEAR for APH reporting purposes is the actual calendar year for acreage planted before July 1st. For acreage planted on or after July 1st, the SET OUT YEAR shall be the year following the calendar year in which set out actually occurred.

To determine LEAF YEAR subtract the set out year from the calendar year of insurance (or APH crop year for the yield substitution purposes), then add one year.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.
