Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In lieu of the second sentence of Section 24(a) of the Basic Provisions, for the purpose of premium amounts owed to us or administrative fees owed to FCIC, interest will start to accrue on the first day of the month following the issuance of the notice by us, provided that a minimum of 30 days have passed from the premium billing date specified in the Special Provisions.

Type

- *3 Recommended and adapted blue or purple skinned cultivars will be considered insurable as the red type and will be designated as the red type for the purposes of this policy.
- *4 Recommended and adapted yellow skinned varieties such as Yukon Gold, will be considered insurable as the white type and will be designated as the white type for the purposes of this policy.

Special Provisions of Insurance

2013 and Succeeding Crop Years

Year: 2013

Commodity: Potatoes (0084)

State: North Carolina (37)

Date: 8/14/2012

Plan: APH (90)

County: Beaufort (013)

Practice

- *5 Acreage and production history from certified organic or transitional acreage will be contained in separate APH databases. Each APH database will include production and acreage from any applicable buffer zone. Any yearly average APH yields, for the most recent four crop years only, from the transitional acreage database will be used in place of Transitional Yields (T-yields) to establish the certified organic APH database. A variable T-yield will be used to complete the database, if required.

Insurance Availability

In accordance with section 8 of the Basic Provisions, insurance shall not attach to varieties of the fingerling type, unless provided by written agreement.

For acreage that requires a written agreement for insurability per Section 9(a)(1)(iv) of the Basic Provisions (new breaking written agreement), the written agreement request must be submitted by the applicable sales closing date in lieu of section 18(e)(2)(i)(B) and in accordance with section 18(e)(2)(iii).

Quality

With regard to Grade Inspections and the respective U.S. Grade Standard (i.e. Processing, Chipping, Seed and all other Potatoes), the only size modifications recognized are those instituted by State or Federal Marketing Orders.
