Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In lieu of the second sentence of Section 24(a) of the Basic Provisions, for the purpose of premium amounts owed to us or administrative fees owed to FCIC, interest will start to accrue on the first day of the month following the issuance of the notice by us, provided that a minimum of 30 days have passed from the premium billing date specified in the Special Provisions.

In accordance with 7(b) of the Clary Sage Crop Provisions, we will not insure any acreage that was planted to Clary Sage in each of the previous two (2) years.

In accordance with section 10(a) of the Clary Sage Crop Provisions and provided all other policy requirements for a replant payment are met, a replant payment may be made when the crop is damaged to the extent there are less than 2.0 remaining live plants per linear foot of row when the crop is planted in row widths 20 inches or more, or there are less than 6.0 remaining live plants per square yard when the crop is planted in row widths less than 20 inches.

Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS guidelines. If growing conditions warrant a deviation from the guidelines, producers should contact either Extension or the local NRCS for management guidance. For information on cover crop management and termination guidelines, refer to the Cover Crop Termination Guidelines published at <http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/landuse/crops/>.
