Statement

General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In accordance with section 2(c)(2)(i) of the Crop Provisions, the minimum number of acres for unit division purposes is 80 acres.

Date

For new policies sold on or after the premium billing date shown in the Actuarial Documents, the premium billing date will be extended to April 1.

Price

Use 55% of the tree reference price for the appropriate stage, round up to the next cent when calculating the amount of protection per unit and the unit value for catastrophic coverage (CAT) policies.

Insurance Availability

In accordance with section 10(b)(2) of the Florida Fruit Tree Crop Provisions, for the peril of freeze only, we do not insure any Stage I citrus trees, if they are located north of Interstate 4, unless there is irrigation that can apply at least ten gallons of water per hour directly to the trunks of the trees.
