Statement

General

Forage seeding includes a pure stand of alfalfa or a stand of alfalfa and grass in which 60 percent or more of ground cover is alfalfa.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In lieu of section 6(b)(1) of the Catastrophic Risk Protection Endorsement, the administrative fee owed is \$655 for each crop in the county.

A minimum of sixteen (16) live plants per square foot will be considered to be a normal stand for loss adjustment purposes.

Date

In lieu of the termination date specified in section 5 of the Forage Seeding Crop Provisions, the termination date will be September 30 of the year of harvest.
