Statement

General

Forage Seeding includes any alfalfa or forage mixture containing at least 50 percent Alfalfa, Clover, Birdsfoot Trefoil, or any other locally recognized and approved forage legume species (by weight).

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In lieu of section 6(b)(1) of the Catastrophic Risk Protection Endorsement, the administrative fee owed is \$655 for each crop in the county.

A minimum of nine (9) live plants per square foot will be considered to be a normal stand for loss adjustment purposes.
