Statement

General

Winter coverage option loss adjustment adequate stand standard: Acreage with less than 1.5 living mint plants per square foot for all types and practices at the end of the winter coverage insurance period may be eligible for a payment.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Date

- *3 In accordance with sections 8 and 13 of the Mint Crop Provisions, coverage begins on May 16 (November 1 of the preceding calendar year for acreage covered under the winter coverage option) and the calendar date for end of insurance is October 31 (May 15 for acreage covered under the winter coverage option).
- *4 Acreage insured under the winter coverage option will have a sales closing date of September 30 and acreage reporting date of December 15. Refer to section 13, winter coverage option, of the Mint Crop Provisions, for new mint acreage reporting and certification requirements and insurability.

Price

If a contract price is available as shown in the actuarial documents, you may elect to have your price election determined in accordance with the Contract Price Addendum (CPA). If the crop provisions or special provisions provide a method to determine a contract price your price election will be determined in accordance with the crop provisions or special provisions and the CPA does not apply.

Insurance Availability

Winter coverage option adequate stand eligibility/minimum required: For established stands, 75 percent or more of ground cover is mint.

Special Provisions of Insurance

2022 and Succeeding Crop Years

Year: 2022	Commodity: Mint (0074)	State: California (06)
Date: 6/16/2021	Plan: APH (90)	County: Lassen (035)

Rotation requirements: Insurance will not attach to any new mint acreage on which mint has been grown in any of the three (3) preceding crop years.

Crop provisions adequate stand eligibility/minimum required: Insurance will not attach to any acreage with less than 1.5 living mint plants per square foot for all types and practices.

Age Limitation: Insurance will not attach to any mint acreage of peppermint the seventh and succeeding crop years after the crop year of planting, unless a written agreement request is initiated by you prior to insurance attaching. Notwithstanding this age limitation condition, insurance will not continue to a subsequent crop year on any acreage following the discovery of verticillium wilt. The production guarantee for such acreage (basic versus winter coverage option) will be determined according to when the discovery was made.

The farming practice known as "reconditioning mint" is an insurable practice on an established stand and will not be considered a new mint planting.
