Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In lieu of section 34(c)(1) of the Basic Provisions:

1. Optional units may be established if each optional unit is located in a separate:
  - i. FSA farm serial number in accordance with FCIC issued procedures; or
  - ii. Section where the boundaries are readily discernible. In the absence of sections we may consider parcels of land legally identified by other methods of measure, such as Spanish grants, provided the boundaries are readily discernible, if such parcels can be considered as the equivalent of sections for unit purposes in accordance with FCIC issued procedures. If you elect optional units by section or section equivalent, you cannot have optional units by FSA farm serial number.
