Statement

Special Provisions of Insurance 2022 and Succeeding Crop Years

Year: 2022	Commodity: Mint (0074)	State: Michigan (26)
Date: 6/16/2021	Plan: APH (90)	County: Clinton (037)

General

Winter coverage option loss adjustment adequate stand standard: Acreage with less than 1.5 living mint plants per square foot for all types and practices at the end of the winter coverage insurance period may be eligible for a payment.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Date

- *3 Acreage insured under the winter coverage option will have a sales closing date of September 30 and acreage reporting date of January 15. Refer to section 13, winter coverage option, of the Mint Crop Provisions, for new mint acreage reporting and certification requirements and insurability.

In accordance with sections 8 and 13 of the Mint Crop Provisions, coverage begins on June 16 (October 1 of the preceding calendar year for acreage covered under the winter coverage option) and the calendar date for end of insurance is September 30 (June 15 for acreage covered under the winter coverage option).

Price

If a contract price is available as shown in the actuarial documents, you may elect to have your price election determined in accordance with the Contract Price Addendum (CPA). If the crop provisions or special provisions provide a method to determine a contract price your price election will be determined in accordance with the crop provisions or special provisions and the CPA does not apply.

Insurance Availability

Winter coverage option adequate stand eligibility/minimum required: For established stands, 75 percent or more of ground cover is mint.

Rotation requirements: Insurance will not attach to any new mint acreage on which mint has been grown in any of the two (2) preceding crop years.

Crop provisions adequate stand eligibility/minimum required: Insurance will not attach to any acreage with less than 1.5 living mint plants per square foot for all types and practices.

- *9 Age limitation: Insurance will not attach to any mint acreage of native spearmint the ninth and succeeding crop years after the crop year of planting.
- *10 Age limitation: Insurance will not attach to any mint acreage of peppermint or scotch spearmint the fourth and succeeding crop years after the crop year of planting.
