#### Statement

##### General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

##### Insurance Availability

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, parental status, familial status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program.

Coverage may not be available in instances of a news report, announcement, or other event that occurs during or after trading hours that is believed by the Secretary of Agriculture, Manager of the Risk Management Agency, or other designated staff of the Risk Management Agency, to result in market conditions significantly different than those used to rate the DRP program. In these cases, coverage will no longer be offered for sale on the RMA Website. DRP sales will resume when coverage prices and rates again become available on the website.
