Price

If a contract price is available as shown in the actuarial documents, you may elect to have your price election determined in accordance with the Contract Price Addendum (CPA). If the crop provisions or special provisions provide a method to determine a contract price your price election will be determined in accordance with the crop provisions or special provisions and the CPA does not apply.

Insurance Availability

In accordance with section 8 of the Basic Provisions, insurance shall not attach to varieties of the fingerling type, unless provided by written agreement.

Insurance will not attach to any acreage on which potatoes were planted the preceding year unless the land was properly fumigated according to approved Extension Service recommendations prior to planting potatoes.

In accordance with section 8 of the Basic Provisions, insurance shall not attach to planted acres intended to be harvested as creamer size potatoes, unless provided by written agreement.

Quality

With regard to Grade Inspections and the respective U.S. Grade Standard (i.e. Processing, Chipping, Seed and all other Potatoes), the only size modifications recognized are those instituted by State or Federal Marketing Orders.
