General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

In accordance with section 2(b)(2) of the Apple Tree Crop Provisions, the minimum distance and acreage required to qualify a separate orchard as an optional unit are one (1) mile and ten (10) acres. The distance requirement between optional units will be established based on the closest location of between separate orchards. Any orchards that are within a one-mile distance of each other will be combined into a single optional unit. A separate orchard meeting the distance requirement but with less than 10 acres will be combined with the nearest optional unit. Additional optional units for separate orchard locations may be established in accordance with FCIC approved procedures.

In accordance with Section 8 of the Apple Tree Crop Provisions, the Apple Tree Fire Blight Endorsement is an optional coverage that may be elected in accordance with the requirements of the Apple Tree Fire Blight Endorsement.
