#### General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

#### Price

Contract price:

You may use a contract price to determine your insurance guarantee when a contract price code of ~~yes~~ <sup>4</sup> exists on the Prices tab in the actuarial documents for the crop, type, and practice.

Contract price authority (i.e., rules governing the use of contract prices and the method to determine a contract price) will be found in one of the following three places, listed in priority order:
