Sections 17(f)(8)(i)(E), 17(f)(8)(ii), and 17(f)(8)(iii) of the Basic Provisions do not apply for the 2026 crop year. New breaking acreage will not be eligible for prevented planting coverage the initial year.

Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

In addition to Section 35 of the Basic Provisions, if you elect to obtain a Farm Service Agency Graze-Out Payment for acres of this crop grazed by livestock and not otherwise harvested, you are not eligible for an indemnity.

Quality

GENERAL STATEMENTS:

For the purpose of this section, the term "quality" means the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment factors" means the factors that are used to determine the quality of the crop. The quality adjustment factors are considered in determining production to count.

For the purpose of this section, the term "net production" means the production of the crop after the quality adjustment factors are applied. The net production is determined by subtracting the quality adjustment factors from the production of the crop.

For the purpose of this section, the term "qualifying for quality adjustment" means the crop must be of a quality that is acceptable for the quality adjustment. The crop must be of a quality that is acceptable for the quality adjustment.

For the purpose of this section, the term "extension of time to harvest" means the extension of time to harvest as specified below. The extension of time to harvest is specified below.

For the purpose of this section, the term "production qualifying under section B or C" means the production of the crop that is sold to other than a disinterested third party, or that is not sold 60 days after the
