General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Refer to the Margins and Yields tab of these actuarial documents for the data source used for area yields.

Practice

- *3 Planted with a single implement which is designed to place the seed (at the proper depth) into the soil. Acreage on which seed is first broadcast onto the surface of the soil using any implement or aircraft, and on which the seed subsequently is incorporated into the soil, is not insurable under this practice.
