#### General

Optional unit division is NOT available by section or section equivalent. Optional unit division is available based on Farm Serial Number (FSN) and any other method specified in the Basic Provisions or Crop Provisions except section or section equivalent. To be eligible for the available methods of optional unit division, you must meet all applicable requirements.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

#### Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

### Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

In addition to Section 35 of the Basic Provisions, if you elect to obtain a Farm Service Agency Graze-Out Payment for acres of this crop grazed by livestock and not otherwise harvested, you are not eligible for an indemnity.

### Quality

#### GENERAL STATEMENTS:

For the purpose of this section, the following definitions apply:

**Production to Count:** The total amount of production that is sold or otherwise disposed of, less any production that is lost, destroyed, or otherwise removed from the farm. Production to count is determined by the following factors:

1. The production must be sold or otherwise disposed of within 60 days of the end of the insurance period.

2. The production must be sold or otherwise disposed of to a party other than a disinterested third party.

3. The production must be sold or otherwise disposed of for a price that is not less than the market price for the production at the time of sale.

4. The production must be sold or otherwise disposed of for a purpose other than for the production's own use.

5. The production must be sold or otherwise disposed of for a purpose other than for the production's own use.

6. The production must be sold or otherwise disposed of for a purpose other than for the production's own use.
