#### General

ADEQUATE STAND: For forage containing 60 percent or more alfalfa, the minimum required number of live alfalfa stems per square foot that are two inches or greater in height.

#### Live Alfalfa Stems per Square Foot

Alfalfa 90-100	55
Alfalfa 60-89	40

Insurance coverage provided by the Forage Production Crop Provisions will continue for acreage that is grazed after it has gone into winter dormancy, defined as the suspension of growth and development of the alfalfa plants during fall and winter months. Producers must remove all livestock prior to the emergence of the forage from winter dormancy.

### Date

In accordance with Section 7(a) of the Crop Provisions, insurance attaches on acreage with an adequate stand on April 15th for the calendar year following the year of seeding for Spring planted forage.

In accordance with Section 7(a) of the Crop Provisions, insurance attaches on acreage with an adequate stand on October 16th for the calendar year following the year of seeding for Fall planted forage.

In accordance with Section 7(a) of the Crop Provisions, insurance attaches on acreage with an adequate stand on October 16th for calendar years subsequent to the calendar year following the year of seeding.

For acreage where insurance will attach on April 15, following the year of establishment, a revised acreage report may be taken until July 15.

### Premium

Any acreage in this county with a high risk area designation on the actuarial map will have a rate adjusted in accordance with the high risk area and map area rates table.

### Insurance Availability

Acreage of alfalfa located above 1500 feet elevation will not be insurable the seventh and succeeding crop years after the year of establishment. Acreage of alfalfa located below 1500 feet elevation will not be insurable the fourth and succeeding crop years after the year of establishment.

Any acreage designated as unrated on the actuarial map will be insurable only by written agreement. Contact your crop insurance agent by the sales closing date to determine eligibility requirements.
