T/P 5	Winter 011	Organic(Transitional) Non-Irr. 714
T/P 6	Winter 011	Organic(Transitional) Irr. 712

#### General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

#### Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

#### Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

## Special Provisions 2026 and Succeeding Crop Years

Year: 2026

Commodity: Wheat (0011)

U.S. Farm Income Tax ID

Date: 6/17/2025

Plan: Yield Protection (01)

County: Pickens (077)

Revenue Protection (02)

Revenue Prot with Harvest Price Exclusion (03)

In addition to Section 35 of the Basic Provisions, if you elect to obtain a Farm Service Agency Graze-Out Payment for acres of this crop grazed by livestock and not otherwise harvested, you are not eligible for an indemnity.

### Quality

#### GENERAL STATEMENTS:

For the purpose of this section, the term "quality" means the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment factors" means the factors that are used to determine the quality of the crop. The quality adjustment factors are considered in determining production to count.

For the purpose of this section, the term "quality adjustment" means the adjustment that is made to the production to count based on the quality of the crop. The quality adjustment is made based on the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.

For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.

- For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.
- Sections C1 or C2 and Section B below, the DF will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- For the purpose of this section, the term "quality adjustment statement" means the statement that is submitted to the Farm Service Agency to determine the quality of the crop. The quality adjustment statement is submitted to the Farm Service Agency based on the quality of the crop as determined by the quality adjustment factors.
