Price

Contract price:

You may use a contract price to determine your insurance guarantee when a contract price code of ~~yes~~ exists on the Prices tab in the actuarial documents for the crop, type, and practice.

Contract price authority (i.e., rules governing the use of contract prices and the method to determine a contract price) will be found in one of the following three places, listed in priority order:

1. Special Provisions, separate from this statement, which authorizes the use of the Contract Price Addendum (CPA);
2. Crop Provisions; or
3. CPA.

County: Red Lake (125)

When the contract price code is ~~yes~~ on the Prices tab for the crop, type, and practice:

1. If the Crop Provisions or Special Provisions provide the contract price authority, your price will be determined in accordance with the Crop Provisions or Special Provisions. If neither the Crop Provisions or Special Provisions provide contract price authority, your price will be determined in accordance with the CPA; and
2. The Crop Provisions or Special Provisions may only provide contract price authority for specific types or practices. When this occurs, the CPA may be used to determine a contract price for other types or practices where contract price authority is not provided through the Crop Provisions or these Special Provisions.

Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

Quality

In the absence of a recovery percentage determination by an approved laboratory, the recovery percentage for use in converting green weight cultivated wild rice to finished weight will be: Recovery percentage=.5000.
