Price

The established price election available for this county crop program will be released in the actuarial documents prior to the policy contract change date. An additional price election, if applicable, will be released no later than 15 days prior to the sales closing date.

Contract price authority (i.e., rules governing the use of contract prices and the method to determine a contract price) will be found in one of the following three places, listed in priority order:

1. Special Provisions, separate from this statement, which authorizes the use of the Contract Price Addendum (CPA);
2. Crop Provisions; or
3. CPA.

When the contract price code is ~~yes~~ ^{yes} on the Prices tab for the crop, type, and practice:

1. If the Crop Provisions or Special Provisions provide the contract price authority, your price will be determined in accordance with the Crop Provisions or Special Provisions. If neither the Crop Provisions or Special Provisions provide contract price authority, your price will be determined in accordance with the CPA; and
