General

Optional unit division is NOT available by section or section equivalent. Optional unit division is available based on Farm Serial Number (FSN) and any other method specified in the Basic Provisions or Crop Provisions except section or section equivalent. To be eligible for the available methods of optional unit division, you must meet all applicable requirements.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

automatic 30 day extension will be allowed only for the purpose of submitting your claim for indemnity, unless an extension of time to harvest has been granted or a delay in measurement of farm stored production has been elected under the general statements below.

For production qualifying for quality adjustment containing substances or conditions that are injurious to human or animal health will be determined in accordance with the provisions of the Basic Provisions.

- a. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.
- b. Sections C1 or C2 and Section B below, the DF will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- c. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.

1.

1. OPTION TO DELAY CLAIM SETTLEMENT

- a. On the date of final inspection for the unit, if any of your unsold***** production qualifies for quality adjustment under sections B and/or C1 or C2a ii and C2a iv below, your claim will be settled using the applicable DF's for unsold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.
- b. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.
- c. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.
- d. For any production sold**** to other than a disinterested third party**, or that is not sold 60 days after the calendar date for the EOIP, we will settle your claim using the applicable DFs.
- e. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.
- f. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.
- g. If the producer elects to delay settlement of the claim for up to 60 days after the calendar date for the EOIP, the claimant must submit a written statement of the reasons for the delay to the insurance company.

2.

2. SECTION 14(e) OF THE BASIC PROVISIONS

Under the provisions of the Basic Provisions, the claimant must submit a written statement of the reasons for the delay to the insurance company. This statement does not supersede the provisions contained in section 14 (e) in the Basic Provisions.

DFs for Aflatoxin:

Aflatoxin Range	DF
0.1 - 300.1 ppb	See Quality Adjustment Tab for Discount Factors
300.1 ppb & above	See C3 below

3. For production that has an Aflatoxin level in excess of 300 ppb, a Vomitoxin level in excess of 10 ppm, or any other substances or conditions qualifying under Section C having a level exceeding the maximum amount allowed or when the edible portion of a crop is exposed to flood waters, a claim will not be allowed for you to submit your claim for indemnity, following the date we determine the production was sold, fed, utilized in any other manner, or destroyed.
- a. If the claimant is a third party, the claimant must provide a written statement from the third party, signed by the third party, stating that the claimant is a third party and that the claimant is not the insured.
- b. If the claimant is the insured, the claimant must provide a written statement from the insured, signed by the insured, stating that the claimant is the insured and that the claimant is not a third party.
- c. If the claimant is a third party, the claimant must provide a written statement from the third party, signed by the third party, stating that the claimant is a third party and that the claimant is not the insured.
- d. If production qualifying under Section C3 remains unsold, or is not destroyed, more than 365 days after the calendar date for the end of the insurance

Special Provisions 2026 and Succeeding Crop Years

Ùæ^kæœ\ æ • æ Åí D

County: Lincoln (079)

SECTION D - ZERO MARKET VALUE PRODUCTION

- [illegible]

*	%Local Market Price-As defined in the applicable Basic, Crop, or these Provisions.
**	%Disinterested third party-A person or business who does not routinely purchase production for resale or for feed will not be considered a disinterested third party if the RIVs applied by the buyer are not reflective of the RIVs in the local market.
***	%Zero market value-Occurs when no buyers in your local area are willing to purchase the production and fair consideration to deliver production to a market outside your local marketing area (distant market) is equal to or greater than the production's value at the distant market or when acreage of an insured crop in which the edible portion of the crop has been exposed to flood waters.
****	%Sold-A Grain is considered sold on the date that final settlement between the buyer and seller has occurred and title of the grain has passed from the seller to the buyer.
*****	%Unsold-A Grain that does not meet the definition of %sold.
