## Insurance Availability

In lieu of section 2(h) of the Margin Protection plan provisions, insureds with MP may not elect SCO on the Base policy. If SCO is elected, the SCO election will be void.

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.
