General

Optional unit division is NOT available by section or section equivalent. Optional unit division is available based on Farm Serial Number (FSN) and any other method specified in the Basic Provisions or Crop Provisions except section or section equivalent. To be eligible for the available methods of optional unit division, you must meet all applicable requirements.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

Special Provisions 2026 and Succeeding Crop Years

Commodity: Wheat (0011)

Plan: Yield Protection (01)
Revenue Protection (02)
Revenue Prot with Harvest Price Exclusion (03)

County: St Landry (097)

Any acreage in this county with a high risk area designation on the actuarial map will have a rate adjusted in accordance with the high risk area and map area rates table.

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

automatic 30 day extension will be allowed only for the purpose of submitting your claim for indemnity, unless an extension of time to harvest has been granted or a delay in measurement of farm stored production has been elected under the general statements below.

VOAD for production qualifying for quality adjustment containing substances or conditions that are injurious to human or animal health will be determined in accordance with the provisions of the Basic Provisions.

- a. Unit of Production (UOP) for quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- b. Sections C1 or C2 and Section B below, the DF will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- c. Unit of Production (UOP) for quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.

Á

1. OPTION TO DELAY CLAIM SETTLEMENT

- a. On the date of final inspection for the unit, if any of your unsold***** production qualifies for quality adjustment under sections B and/or C1 or C2a ii and C2a iv below, your claim will be settled using the applicable DF's for unsold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.
- b. Quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- c. Quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- d. For any production sold**** to other than a disinterested third party**, or that is not sold 60 days after the calendar date for the EOIP, we will settle your claim using the applicable DFs.
- e. Quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- f. Quality adjustment will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- g. VOAD for production qualifying for quality adjustment containing substances or conditions that are injurious to human or animal health will be determined in accordance with the provisions of the Basic Provisions.

Á

2. SECTION 14(e) OF THE BASIC PROVISIONS

U) [] of the Basic Provisions will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.

period, such production will not be adjusted for any quality deficiencies listed in Section C.

SECTION D - ZERO MARKET VALUE PRODUCTION

0. If you do not destroy (or refuse to destroy) production in a manner acceptable to us, such production to count is no longer considered to be zero market value and will be adjusted as follows:

1. If you do not destroy (or refuse to destroy) production in a manner acceptable to us, such production to count is no longer considered to be zero market value and will be adjusted as follows:
 - a. If you do not destroy (or refuse to destroy) production in a manner acceptable to us, such production to count is no longer considered to be zero market value and will be adjusted as follows:
 - b. If you do not destroy (or refuse to destroy) production in a manner acceptable to us, such production to count is no longer considered to be zero market value and will be adjusted as follows:
 - c. For production in Section C1 or C2, such production will not be adjusted for any quality deficiencies listed in Section C.
3. If you do not destroy (or refuse to destroy) production in a manner acceptable to us, such production to count is no longer considered to be zero market value and will be adjusted as follows:

*	%Local Market Price-As defined in the applicable Basic, Crop, or these Provisions.
**	%Disinterested third party-A person or business who does not routinely purchase production for resale or for feed will not be considered a disinterested third party if the RIVs applied by the buyer are not reflective of the RIVs in the local market.
***	%Zero market value-Occurs when no buyers in your local area are willing to purchase the production and fair consideration to deliver production to a market outside your local marketing area (distant market) is equal to or greater than the production's value at the distant market or when acreage of an insured crop in which the edible portion of the crop has been exposed to flood waters.
****	%Sold-A Grain is considered sold on the date that final settlement between the buyer and seller has occurred and title of the grain has passed from the seller to the buyer.
*****	%Unsold-A Grain that does not meet the definition of %sold.
