General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

In addition to Section 35 of the Basic Provisions, if you elect to obtain a Farm Service Agency Graze-Out Payment for acres of this crop grazed by livestock and not otherwise harvested, you are not eligible for an indemnity.

Quality

GENERAL STATEMENTS:

For any production qualifying under section B or C (except for section C3) that is sold**** to other than a disinterested third party**, or that is not sold 60 days after the calendar date for the end of the insurance period

For production qualifying under Sections B or C (except for production qualifying under section C3) that is unsold 60 days after the calendar date for the EOIP, an automatic 30 day extension will be allowed only for the purpose of submitting your claim for indemnity, unless an extension of time to harvest has been granted or a delay in measurement of farm stored production has been elected under the general statements below.

The production to count remaining after allowable reductions to gross production (in accordance with the applicable Crop Provisions), is multiplied by the QAF (not less than zero) to determine net production to count.

The DF for production qualifying for quality adjustment containing substances or conditions that are injurious to human or animal health will be determined in accordance with the following:

1. **QUALITY ADJUSTMENT STATEMENT (QAS)**

QAS quality deficiencies must be obtained in accordance with this Quality Adjustment Statement, but not later than 60 days after the EOIP, otherwise such production will not be eligible for a QAS. The QAS must be obtained from a qualified entity, such as a grain elevator, and must be obtained before the production is sold, fed, or used in any other manner. The QAS must be obtained from a qualified entity, such as a grain elevator, and must be obtained before the production is sold, fed, or used in any other manner. The QAS must be obtained from a qualified entity, such as a grain elevator, and must be obtained before the production is sold, fed, or used in any other manner.

5. FAIR CONSIDERATION TO DELIVER TO DISTANT MARKETS

When a producer has a production of a commodity that is sold to other than a disinterested third party, fed, utilized in any other manner, or when a pre-established DF is applicable, the producer must obtain a fair consideration to deliver to distant markets. The fair consideration to deliver to distant markets must be obtained from a qualified entity, such as a grain elevator, and must be obtained before the production is sold, fed, or used in any other manner.

6. ZERO MARKET VALUE

If on the date of final inspection for the unit, any production which due to insurable causes is determined to have zero market value***, such production will not be eligible for a QAS. The production must be determined to have zero market value by a qualified entity, such as a grain elevator, and must be determined before the production is sold, fed, or used in any other manner.

7. REDUCTION IN VALUE (RIV):

The RIV is the difference between the market value of the production and the fair consideration to deliver to distant markets.

- a. T [a c ' ^ A & } c } d A
- b. Damage due to uninsured causes;
- c. Drying;
