#### General

Optional unit division is NOT available by section or section equivalent. Optional unit division is available based on Farm Serial Number (FSN) and any other method specified in the Basic Provisions or Crop Provisions except section or section equivalent. To be eligible for the available methods of optional unit division, you must meet all applicable requirements.

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

#### Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.
