General

Contact your agent regarding possible premium discounts, options, and/or additional coverage that may be available.

Corn planted on acreage following a crop that has been prevented from being planted will not be considered a cover crop and will be considered a crop planted for harvest.

Sections 17(f)(8)(i)(E), 17(f)(8)(ii), and 17(f)(8)(iii) of the Basic Provisions do not apply for the 2026 crop year. New breaking acreage will not be eligible for prevented planting coverage the initial year.

Date

In lieu of the definition of late planting period in section 1 of the Basic Provisions, please refer to the End Of Late Planting Period Date.

Insurance Availability

Insurance shall attach to a crop following a cover crop when the cover crop meets the definition provided in the Basic Provisions, was planted within the last 12 months, and is managed and terminated according to NRCS Cover Crop Termination Guidelines. The Guidelines include information on cover crops and crop insurance, Good Farming Practices for cover crops, and termination information and exceptions, which can be found at <https://www.rma.usda.gov/en/Topics/Cover-Crops>.

In addition to Section 35 of the Basic Provisions, if you elect to obtain a Farm Service Agency Graze-Out Payment for acres of this crop grazed by livestock and not otherwise harvested, you are not eligible for an indemnity.

Special Provisions 2026 and Succeeding Crop Years

Year: 2026	Commodity: Wheat (0011)	Upland Cotton JD

Quality

GENERAL STATEMENTS:

For all crops, the quality adjustment factor (QAF) shall be determined as follows:

For all crops, the QAF shall be determined as follows: (1) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (2) If the crop is not sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (3) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.

For all crops, the QAF shall be determined as follows: (1) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (2) If the crop is not sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (3) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.

Qualifying for quality adjustment, that does not contain substances or conditions that are injurious to human or animal health, shall be adjusted under the following provisions:

The AIP grants an extension of time to harvest as specified below, the samples of production used to determine insurable quality deficiencies under Sections A, B and C must be obtained in accordance with this Quality Adjustment Statement, but not later than 60 days after the calendar date for the end of the insurance period.

Any production qualifying under section B or C (except for section C3) that is sold**** to other than a disinterested third party**, or that is not sold 60 days after the calendar date for the end of the insurance period, shall be adjusted under the following provisions:

Production qualifying under Sections B or C (except for production qualifying under section C3) that is unsold 60 days after the calendar date for the EOIP, an automatic 30 day extension will be allowed only for the purpose of submitting your claim for indemnity, unless an extension of time to harvest has been granted or a delay in measurement of farm stored production has been elected under the general statements below.

For production qualifying for quality adjustment containing substances or conditions that are injurious to human or animal health will be determined in accordance with the following provisions:

- For all crops, the QAF shall be determined as follows: (1) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (2) If the crop is not sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (3) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- Sections C1 or C2 and Section B below, the DF will be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.
- For all crops, the QAF shall be determined as follows: (1) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (2) If the crop is not sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2. (3) If the crop is sold to a disinterested third party, the QAF shall be determined by adding the applicable DFs from Section B to the applicable DFs from Sections C1 or C2.

County: Duchesne (013)

a. On the date of final inspection for the unit, if any of your unsold**** production qualifies for quality adjustment under sections B and/or C1 or C2a ii and C2a iv below, your claim will be settled using the applicable DF's for unsold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.

b. If you have sold***** production that was produced by the same manufacturer as the unsold production, we will settle your claim using the applicable DF's for sold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.

c. If you have sold***** production that was produced by the same manufacturer as the unsold production, we will settle your claim using the applicable DF's for sold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.

d. For any production sold**** to other than a disinterested third party**, or that is not sold 60 days after the calendar date for the EOIP, we will settle your claim using the applicable DFs.

e. If you have sold***** production that was produced by the same manufacturer as the unsold production, we will settle your claim using the applicable DF's for sold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.

f. If you have sold***** production that was produced by the same manufacturer as the unsold production, we will settle your claim using the applicable DF's for sold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.

g. If you have sold***** production that was produced by the same manufacturer as the unsold production, we will settle your claim using the applicable DF's for sold production unless you elect in writing to delay settlement of your claim for up to 60 days after the calendar date for the EOIP.
